A Program for School-wide Writing Success

Write for the Future is an instructional program for middle and/or secondary students. The focus is on extended training in the necessary criteria for successful writing achievement during and beyond the middle and high school career.

Please Note:

***To attend this training you MUST be trained and proficient in the use of Thinking Maps®.**

Training will focus on:

- **Use of the triplets**
- **Use of the Frame of Reference for text support**
- **Autobiographical Incident, Writing to Explain How/Why, Descriptive Writing, Persuasive Writing, and Definition Writing**
- **Focus on Short and Extended Response**
- **Writing applications across content areas**

Participants who attend the entire training will be certified to train staff members at their campus/district. A Write for the Future manual must be purchased for each teacher trained.
